

SPONSORED WALK MAP

Walking Information:

As a guide for those wishing to enjoy the scenery of this trail, it generally takes less than 4 hours. Stout foot wear is required as rain can leave lower sections muddy. The tracks are not suitable for wheel chairs or baby buggies.

Checkpoint 1 is at the disused Bramley Railway Station.

Checkpoint 2 is next to the playing field in Chilworth.

The walk takes a route starting and finishing in Shalford Park, Shalford Road (A281), Guildford. The start of the walk is at 9.45am prompt. Free parking is available in Shalford Park. Please register before and after the walk.

All are responsible for their own safety and for others in their care – especially children and pets. The route is just indicative and not a true map. Participants must adhere to the Countryside Code.
