WALK-IN ADVICE CENTRES

Do you want to talk to someone about your child's special educational needs? Come to one of our three new walk-in advice "surgeries".

Get initial advice on how parents of children with SEN or disabilities can fight for their educational rights.

Talk to experienced educational and legal advisers.

Bring with you any useful documents (statements, letters from SEN officers, school reports, etc.). To make the best use of time available please organise them into date or other appropriate order.

No appointment necessary. Just come along - first come, first helped.

No fee - although a donation is always welcome.
